KEEP LEARNING IN THE WILD.

Friday, June 12th, 2026

5:00 PM | **Glacier Institute Nature Center**

7450 Highway 2 East, Columbia Falls, MT 59912

The Lumberjack Ball is a celebration of wild spaces, shared purpose, and the power of learning outside the classroom.

This year, we gather once again at our Nature Center, a community space designed to connect more students, families, and lifelong learners with the magic of the outdoors.

Every sponsorship and dollar raised helps the Glacier Institute provide immersive, hands-on educational experiences in Glacier National Park, Flathead National Forest, and now, at our Nature Center campus.

Join us in making 2026 even bigger and better!
